New Veilings at Mrs. L. V. Davis's.

Mrs. Lee B. Gray of West Second continues slowly to improve.

Let everybody go out to the Fair today and help give it a good send off.

The State Association of Colored Baptists will be held next year at Winchester.

The regular prayer meeting service will be conducted this evening at the Christian Church.

The Fleming County Teachers' Institute begins Monday, with Superintendent Hull and Prof. Ramey of Carlisle instructors.

Mr. Thomas A. Cook, formerly of this county, has resigned as Secretary of the Lexington and Fayette Branch of the Humane Society.

The two Frankfort militia companies have been withdrawn from Jackson, leaving a force of only sixty-five men now on duty in Breckinridge county.

The Central and Brooks House are both filling up with visitors. At the latter house Mr. Duke Watson and Mr. William Willocks preside behind the desk.

The Indian Band will give a concert Friday evening in front of Mrs. Joe Wood's in Third street, for the benefit of the supper then going on for the Christian Church.

The proceeds of the vocal entertainment given at Flemingsburg Monday evening by Miss Florence P. Wadsworth amounted to \$39.40, which were added to the Methodist Church Improvement Fund.

Forty nickel slot machines were received at the wharfboat yesterday from Cincinnati. Twenty-two were returned today to that city—the graft not being sufficient to keep the entire outfit going.

We notice in the window of the Bee Hive an Elks head. The animal was killed in Colorado about 12 years ago and the head sent to a friend in Aberdeen and is now doing service as an ornament for sightseers.

Too many goods induces us to make a great reduction in price on lines of gold and gold filled watches, diamonds, sterling silver spoons and forks, cut glass, etc.

MURPHY, the Jeweler.

The merchants of Maysville have taken special pains and pride in dressing their show windows for the benefit of our visitors and they have succeeded in an admirable manner. Several of them will compare favorably with the windows in Fourth street, Cincinnati.

Monday, in the examining trial, the charge of murder against Tom Gaskins was dismissed by Judge Newell at the conclusion of the Commonwealth's testimony. On the same testimony the Court held him to the Grand Jury of the November term of the Circuit Court on the charge of assault and battery.

Maysville Lodge, No. 704, B. P. O. E., will meet tonight. Several candidates will be initiated and the untamed paraphernalia will be used. Members from Cincinnati, Covington and Newport Lodges will be present. It is hoped that all local members who can will be present, as their presence is of great importance.

In gatherings such as will be with us for the next four days, there are always some of an undesirable character. We are informed by one who knows whereof he speaks that there is a crook in our city of National fame and who has evidently come here for no good purpose. Now this will give notice to the professional gentleman that the Chief of Police is aware of his presence, as well as to put our citizens on their guard against all such who may be here during the Fair.

JAMES MACK SHARP.

Mr. James Mack Sharp, whose critical illness at his home in Webb City, Mo., has been noted in THE LEDGER, died at 8 o'clock yesterday morning.

He is survived by a widow, who was Miss Kate Cunningham of Bourbon county, and four children.

Some six years ago Mr. Sharp removed from Nicholas county to Webb City, where he engaged in the real estate business.

The funeral will occur at 2 o'clock this afternoon, the interment being at his late home.

REPUBLICAN COUNTY CONVENTION.

The Republicans of Mason county will meet at the Courthouse Saturday, August 23d, 1903, at 10 o'clock p. m., to select delegates to the Conventions to be held at Vanceburg August 26th, 1903, to nominate candidates for Judge of the Nineteenth Judicial District and State Senator from the District composed of Mason and Lewis counties. Basis of representation is one delegate for each 50 votes and fraction over 25 cast for Presidential election in November, 1900. W. D. COCHRAN, Chairman.

With a cousin of one of the defense's lawyers on the Jury in the Jett-White trial, it is little wonder that Judge FRYER declared that "the Courts of Kentucky are reeking with perjury!"

THE Courier-Journal, commenting on the verdict in the Jett-White case at Cynthiana, pays its respects to the "Hargis gang" in this wise—

"Such is the outcome of the defense's extraordinary efforts in behalf of those two assassins; such the utmost that could be accomplished by the Hargis gang until recently all powerful in Breathitt county. It is a shame that they could accomplish so much, yet it is some cause for satisfaction that they could not accomplish more. It almost too much to hope that this band of lawless men, was fighting for the lives of JETT and WHITE with all the desperation of self-protection, could not get a JASPER KING on the Cynthiana Jury as they got a BURNS FITZPATRICK on the Jackson Jury. There are always such creatures in all communities, whose true natures are not suspected by their honest neighbors until it is too late to guard against them. That the Hargis band of Anarchists, with their great resources, their frantic exertions and their unscrupulous methods, should not fail to find that there was one such creature on the Jury is not surprising."

According to this, the "Hargis band of Anarchists" is composed of all sorts of bad men. And the leader of that "gang" is no less than Democratic County Judge HARGIS of Breathitt, who is also an honored member of the Democratic State Central Committee of Kentucky and a most influential friend of the Democratic candidate for Governor. And then he's the fellow who, when asked to resign, said he intended to "do as he damn pleased!" Of such are the modern Democratic leaders in Kentucky, whom THE Courier-Journal most heartily supports!

THE next time Judge LAFFERTY of Cynthiana assists in selecting a Jury, the Court ought to find out how many cousins he has in the panel.

THAT the names of two Democratic traitors like BASIL DUNE and STEPHEN SHARP should be signed to a call for a reunion of Morgan's Men seems the very irony of absurdity. Surely if he could know it, the fact would make General MORGAN turn over in his grave.—Lexington Democrat.

Then, after all, the rebellion was a purely Democratic affair, eh?

JUDGE LAFFERTY of Cynthiana, one of the Attorneys for Judge HARGIS, Colonel JETT and Major WHITE, promoter of assassinations and official executioners respectively, is a shattered idol. Hear THE Courier-Journal—

If JASPER KING is Judge LAFFERTY's cousin, Judge LAFFERTY knew it when KING was accepted as one of the Jurors, and yet he did not open his lips to object to KING. He did his best to prevent the Jurors from doing their duty by trying to move them to set aside the law of the land which inflicts capital punishment, but he was dumb when he had a chance to protect himself from any imputation that he knew must be made against himself when it should be discovered that KING was his kinsman.

For a clear understanding of the way in which the verdict was brought about in the Jett-White case, THE LEDGER quotes from the reliable and conservative Cynthiana Democrat—

"The verdict was a tremendous surprise, and how it was brought about was even a still greater surprise.

"The length of time that the Jury remained out led to the fear that there would be a 'hung' Jury, though none could see how such could be the case.

"It developed that JASPER KING was the cause of the delay, and finally eleven of the best citizens of Harrison county were obliged to bend to his will or return no verdict at all.

"After having been dismissed the Jurymen did not hesitate to discuss the occurrences in the Jury room. The first ballot taken was to determine the sentiment regarding the innocence or guilt of the defendants. On this ballot every Jurymen voted 'guilty' except KING, and he would not vote.

"On the first ballot as to penalty the vote stood seven to five for hanging, the difference of opinion relating to WHITE, eleven of the Jurors at all times standing for the death penalty for JETT. On the next ballot eleven were for hanging both JETT and WHITE. KING refused to vote for hanging either of the men. He could give no reason for his action, and refused to discuss the case. Rather than have no verdict at all and remain in the Courthouse until Sunday night, the eleven went to one."

"I am greatly pleased with the benefit I received from the use of Doan's Kidney Pills which I procured at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. William Brame became dissatisfied with his rural home near Mt. Gilead and concluded the best place and happiest people on earth were to be found in Uncle Sam's Marine Corps, and forthwith proceeded to Cincinnati where he became a bold soldier boy.

It seems all these proceedings were without the knowledge and consent of William's wife and six-year-old daughter, who, after visiting the recruiting offices in Cincinnati, finally located him.

William has been in the service just long enough to find out that there is no monkey business in being a U. S. N., and all parties concerned are now trying to find a way for William's relief and discharge.

River News

The river is falling slowly.

The Lizzie Bay for Pomeroy goes up tonight.

Three boats were launched in Marietta last week.

The Henry M. Stanley is due to pass down tonight from Pomeroy.

The steamer Bill Clark left a barge containing 600 barrels of salt.

The work of dredging the river in front of Louisville is in progress.

There is a report that the Avaion will run in the Cincinnati and Tennessee river trade.

The Lizzie Bay from Pomeroy last night received ten hogheads of tobacco at that point.

A new towboat is being built at Leavenworth to tow ties and timber out of the Kentucky river.

The Maysville packet Courier left yesterday with five carloads of stock and one carload of tobacco, with usual miscellaneous freight.

Tomorrow Colonel Lydecker, Engineer in charge of this District of the Ohio river, will hold a hearing in his office at Cincinnati on the question of the location of the ice pier near the mouth of the Big Hocking river. The question which is most important in the minds of navigators is whether the pier should be located on the right or left bank of the river at that point. The opinion of the pilots and navigators of the upper Ohio River Valley will be voiced by Captain J. Frank Tiller, who has been elected to represent the river interests at the hearing.

Dysentery Cured Without the Aid of a Doctor.

"I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and was cured without having a doctor. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by J. Jas. Wood & Son, Druggists.

WANTED.

We would like to ask, through the columns of your paper, if there is any person who has used Green's August Flower for the cure of indigestion, dyspepsia and liver troubles that has not been cured; and we also mean their results, such as sour stomach, fermentation of food, habitual constipation, nervous dyspepsia, headaches, despondent feelings, sleeplessness—in fact, any trouble connected with the stomach or liver? This medicine has been sold for many years in all civilized countries, and we wish to correspond with you and send you one of our books free of cost. If you never tried August Flower, try a 25¢ bottle first. We have never known of its failing. If so, something more serious is the matter with you. The 25¢ size has just been introduced this year. Regular size 75¢. At Henry W. Ray's, next door to Postoffice.

The Public Schools of the city begin the fall season Monday, September 7th.

W. W. Duley, aged 66, and Maggie F. Morrison, aged 65, were granted marriage license at Flemingburg.

WE'LL WATCH THEM!

How Two Portsmouth Boys Are Coming to the Elks Fair.

The following letter will have proper attention, and with the help of the girls its object may be accomplished—

PORTSMOUTH, O., August 18th, 1903.
Mr. Thomas A. Davis, Maysville, Ky.—Friend Tom: My son, William S. Bridges, and Sidney Davidson drove to Maysville this morning to attend your Elks Fair. Kindly keep your eye on them and do not let them run off with any of the Maysville girls.
Regretting that I am unable to attend the fair this season, I remain your friend, J. D. BRIDGES

GRAYCRAFT CAUGHT.

Jumped His Bond at Mayslick—Was Brought Back.

Zed Graycraft of Mayslick is in the clutches of the law for raiding the bins of farmers. He is charged with taking a wagon and making nightly raids, getting wheat, corn and other country produce that came within his clutches.

He was under bond in 'Squire Clark's Court at Mayslick for his appearance.

He ran off to Alexandria, Ky., and was trailed and captured there yesterday by Constable Alexander, who followed his wife, who had gone to join him at that place.

Where he was brought back and taken to Mayslick, where he will be compelled to give bond or go to jail.

Not Over-Wise.
There is an old allegorical picture of a girl seated at a grasshopper, but in the net of heedlessness twirling on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by J. Jas. Wood & Son, Druggists.

The Colored Grand Lodge of Kentucky Masons is in annual session at Paris.

The Curtis Publishing Company of Ashland, with \$10,000 capital, filed articles of incorporation with the Secretary of State.

"GOT LAID OUT!"

The "Wild West" Will Not Be Here For the Big Elks Fair.

The following telegram, received Monday, doesn't need a diagram—

EVANSVILLE, IND., August 17th, 1903.
Mr. H. L. Hamilton, Secretary of Fair, Maysville, Ky.: Got laid out on railroad. Can't get there.
W. H. KENNEDY.

This refers to "Kennedy's Wild West Show," billed to appear this week at the Elks Fair.

While this is a disappointment to the Managers of the Fair, it is a matter over which they have no control; and this notice is given in order that patrons of the Fair may not think the omission intentional.

However, there'll be plenty of other attractions to please, and the excellence of the music, the famous Bicketts, and the extraordinary display of fine stock, will more than compensate for the absence of the "Cowboys."

Correspondence

RECTORVILLE.

Several of our boys have gone to Cincinnati to seek employment. Several from here attended Cherry Grove Campmeeting last week. Some of our citizens have been on the sick list in the past week or so. Mr. Edward Sowars had the misfortune of losing a fine horse Sunday. Quite a number from this vicinity attended meeting at Tollesboro last Sunday night. George Turner and wife will move to Cincinnati soon, where he has secured a position. Our school will commence the first Monday in September with Profs. Turnipseed and Pollitt teachers. Crops are almost perished in this neighborhood. Water is getting low, but we are still looking for rain.

SPRINGDALE.

Everybody is going to the Elks Fair. Miss Olive Lantz is visiting friends in Lewis county. Mrs. J. W. Tully of Cottageville was a pleasant visitor here Saturday. Mrs. Hattie Sylvia is in Maysville this week visiting friends and attending the Elks Fair. Mr. and Mrs. Robert Girvin have returned from a sojourn at Cherry Grove Campmeeting. Dr. Bowman and a party of friends have had much sport "jug fishing" here the past week. Mr. Edmond Henderson shipped a lot of fine cattle on the noon boat to Cincinnati Sunday. The drouth is seriously affecting pastures and cutting the corn and tobacco crops short. Our farmers are rejoicing over one fact however else they fret; as there are no tobacco worms this summer. Mr. John Elliott is unfortunate in losing a good horse recently from some unknown cause, it being found dead in the pasture. Mrs. William Epperson dropped dead from a chair on her husband's fishing boat that lies in the willows near here a few days ago. Mrs. Bettie Rosendoll Whittier was the guest of Mrs. Degman at Maplewood the past week, enroute to her home in Cincinnati after a six weeks visit with relatives in Fayette and Bourbon counties and Brown county, O. The reunion of the "Blue and Gray" at Mowens Park on Friday and Saturday last was a success in every particular. A large crowd, good speeches, songs and recitation, together with an enjoyable camp-fire on Friday evening, made the two days a joyous memory. A horse driven by Miss Dolly Northcott on Owl Hollow pike became unmanageable and backed over the steep cliff in front of Mr. Frank Cobb's residence. The horse was killed, the buggy was wrecked, but strange to say Miss Northcott escaped with slight injuries.

Deafness Can Not Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHICKNEY & Co., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.

KODOL
Digests What You Eat

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Kodol
Digests What You Eat

Mrs. Loring Nichols of Penn Yan, N. Y., writes: After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured.

Kodol cures indigestion, dyspepsia and all stomach disorders, and gives the heart a full, free and untrammeled action.

Bottles only \$1.00 Size holding 2 1/2 times the trial size, which sells for 50c
